

# PPM Examples

## Detail Simulations

Human & Vehicle at  
**2ppm**

Human & Vehicle at  
**3ppm**

Human & Vehicle at  
**4ppm**

Human & Vehicle at  
**5ppm**

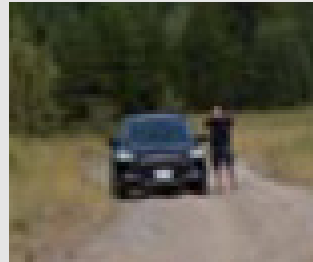

Human & Vehicle at  
**6ppm**

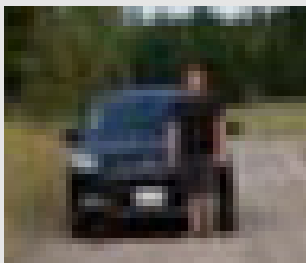

Human & Vehicle at  
**8ppm**

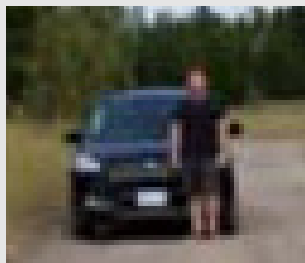

Human & Vehicle at  
**10ppm**

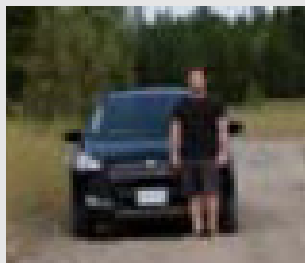

Human & Vehicle at  
**12ppm**

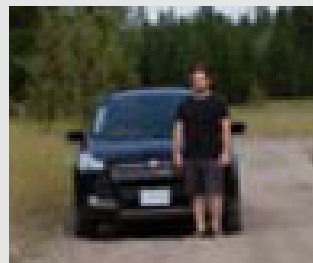

Human & Vehicle at  
**15ppm**

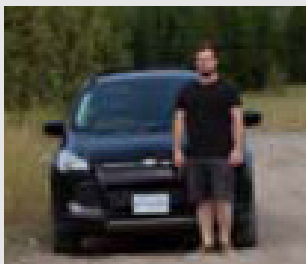

Human & Vehicle at  
**20ppm**

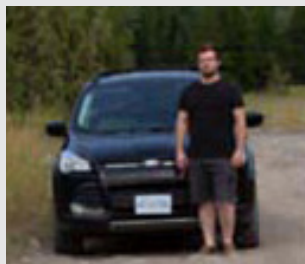

Human & Vehicle at  
**25ppm**

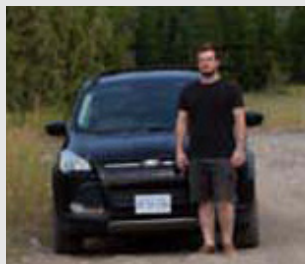

Human & Vehicle at  
**30ppm**

Human & Vehicle at  
**40ppm**

Human & Vehicle at  
**50ppm**

Human & Vehicle at  
**60ppm**

Human & Vehicle at  
**75ppm**

# PPM Examples

Human & Vehicle at  
**100ppm**

Human & Vehicle at  
**125ppm**

Human & Vehicle at  
**150ppm**

Human & Vehicle at  
**175ppm**

Human & Vehicle at  
**200ppm**

Human & Vehicle at  
**250ppm**

Human & Vehicle at  
**300ppm**

Human & Vehicle at  
**400ppm**

Human & Vehicle at  
**500ppm**

Human & Vehicle at  
**750ppm**

Human & Vehicle at  
**1000ppm**

Human & Vehicle at  
**1500ppm**

The examples here simulate the amount of detail if you were to digitally zoom into the image. **Please note that these image simulations assume optimum imaging conditions, however many factors such as atmospheric conditions, heat waves, available light, subject motion or camera shake can degrade image clarity, and most of these issues are amplified at longer distances.**
